

## DISTANCE LEARNING March-June, 2020

Action approved by Board of Trustees to close school March 13-April 14

- Organized Grab-n-Go lunch
- Instructional work packets developed for students

Action approved by Board of Trustees to continue school closure through May 1.

- Continued Grab-n-Go lunch
- Developed guidelines and a schedule to create two-week rounds for work packets until the end of the year should closure be extended.
- Google Voice accounts were established for staff to communicate with students for both well-being checks as well as instruction
- Created instructional plans for special services to support Special Education Students and English Learners.
- A plan was made for students to continue working on goals in Accelerated Reader and were provided access to library books
- Reading Lab services were extended to continue assistance with closing reading gaps using Google Voice.
- Established student engagement accountability for work packets to be collected for credit/no credit.
- Families responded to survey voicing need for devices, WiFi, or hotspots

Action approved by Board of Trustees to extend school closure through June 4.

- Continued Grab n Go lunch
- Arranged for delivery of hotspots and Chromebook distribution
- Professional development was available for teachers to support virtual learning with Zoom meetings and using resources and tools for instruction.
- Developed a plan for eighth grade promotion and end of year awards
- Summer school plans made to further assist students
