## Health and Safety Update: Face Coverings

Dear Washington Colony Parent & Guardian,  
 Washington Colony continues to stay vigilant in the fight against Covid-19 during these trying times. As part of this continued commitment, your child is receiving an N95 Mask provided free of charge by the district. The N95 face masks are recommended by CDPH (but not required) for the most effective protection. We will have additional N95 masks available for students as needed. It is also recommended from the CDC and CDPH that if your child wears a gaiter type face covering, it is important that there are two layers to the gaiter face covering or that it be folded so that it creates the second layer. The health and safety of all students, staff, and community is top priority for Washington Colony so your continued support is appreciated. Should you have any questions or concerns please do not hesitate to contact Mrs. Diaz, assistant principal, at (559) 233-0706.

### Choosing your Mask

Most Effective	More Effective	Effective	Least Effective
N95 (Also, best for wildfire smoke)	KF94 KN95 Double Mask Fitted Surgical Mask	Surgical Mask	Fabric mask with three or more cloth layers

## Upgrade Your Mask

Consider Fit, Filtration and Comfort

**GOOD**

**Surgical Mask**

**BETTER**

**KF94/KN95  
Surgical + Cloth**

**BEST**

**N95**

FAIR

**Cloth Mask**  
One that fits well and has at least 3 layers. A cloth mask is better than no mask.
